ORDER ADOPTING MAGISTRATE JUDGE'S FINDINGS AND CONCLUSIONS  
(With special instructions to the clerk of Court)

In this action brought by petitioner Vincent Edward Wyatt under 28 U.S.C. § 2254, the Court has made an independent review of the following matters in the above-styled and numbered cause:

1. The pleadings and record;
2. The proposed findings, conclusions, and recommendation of the United States magistrate judge filed on May 4, 2006; and
3. The petitioner's written objections to the proposed findings, conclusions, and recommendation of the United States magistrate judge filed on May 22, 2006.

The Court, after de novo review, concludes that Wyatt's objections must be overruled, and that the petition for writ of habeas corpus should be denied, for the reasons stated in the magistrate judge's findings and conclusions.

Therefore, the findings, conclusions, and recommendation of the magistrate judge are ADOPTED.

Wyatt's petition for writ of habeas corpus is DENIED.

SIGNED May 25, 2006.
